## Play Park

With the warmer weather, families generally use the play park more. Parents/Carers are fully responsible for the supervision of their children at all times. I would recommend that you are seen visibly in the park and do not remain in your car.

Please use all the available parking. If your child is attending an After School Club, please come at the correct collection time.**

### **School Uniform**

We would like to reassure families that they do not need to buy new shoes or uniform if children have out grown these items during lockdown. Shoes can be replaced by trainers and jogging bottoms/ leggings for trousers and if possible navy/ black. Families are reminded that we have a "Previously Loved" selection of Uniform available for a small donation. The Office staff can bring samples to the school porch if required.

Our on-site Clothing Bank is an additional way that you can support the school to raise funds. Thank you for your continued support.
